

Steps of Typing Test.

Font : Hindi – Kruti Dev

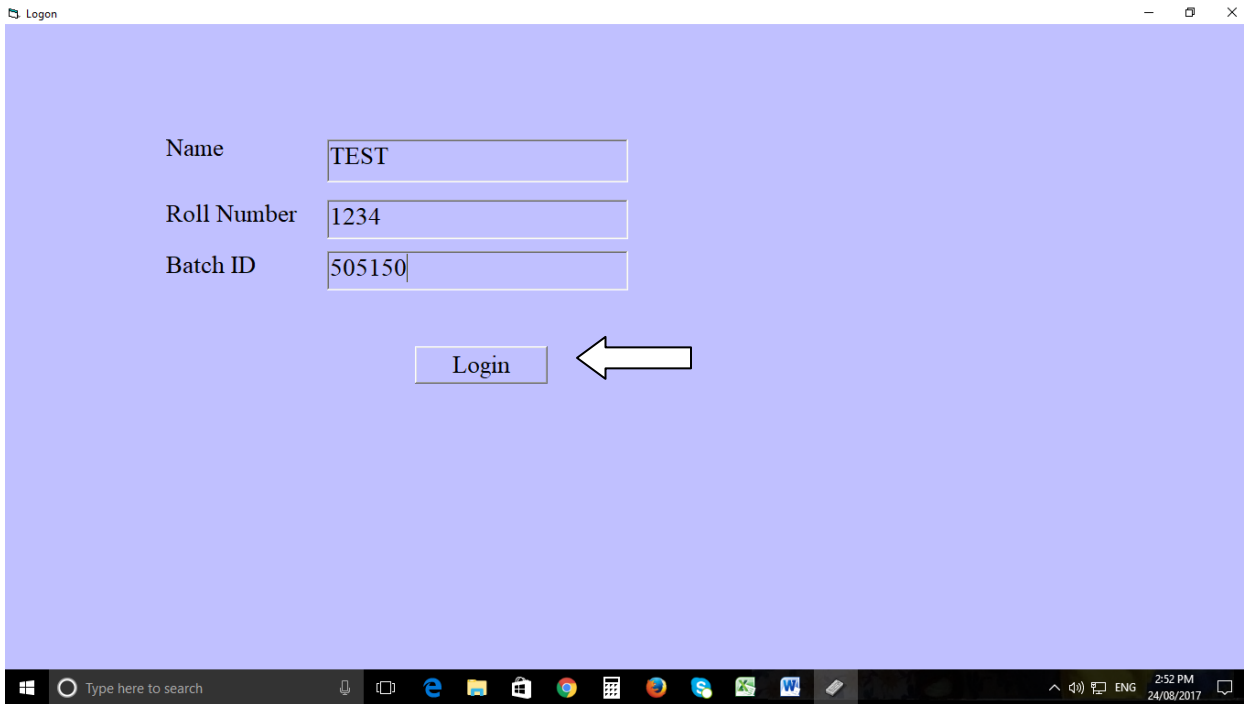

Step 1 : On Desktop double click [EH Typing Test Icon.](#)

Step 2 : After double clicking on [EH Typing Test, the Log-on Window opens.](#)

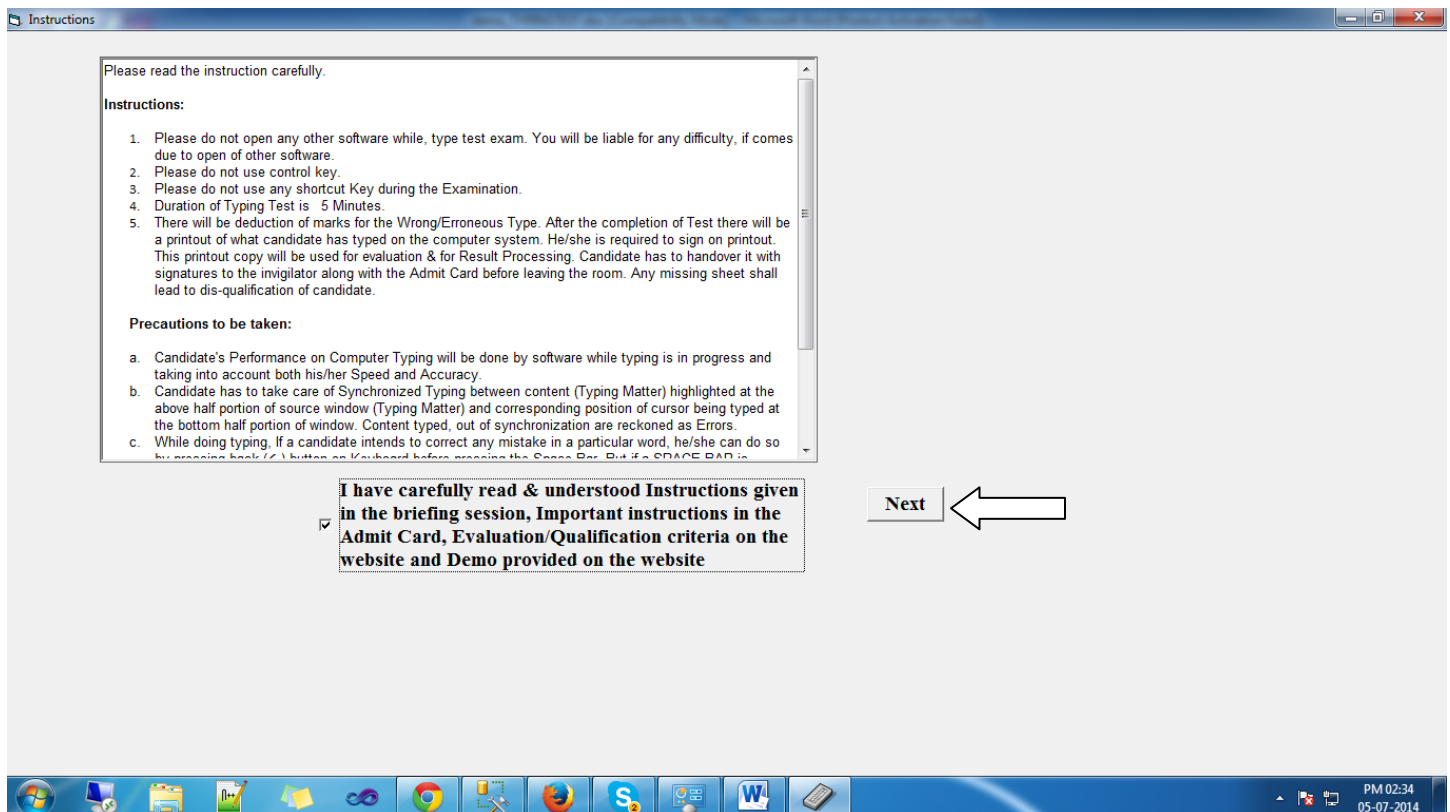

The image is a screenshot of a Windows desktop window titled 'Logon'. The window has a light blue background. On the left side, there are three labels: 'Name', 'Roll Number', and 'Batch ID', each followed by a white rectangular input field. Below these fields is a white rectangular button with the text 'Login' centered on it. The window's title bar shows 'Logon' on the left and standard Windows window controls (minimize, maximize, close) on the right. At the bottom of the screenshot, the Windows taskbar is visible, showing the search bar with the text 'Type here to search', several application icons (including Edge, File Explorer, and Chrome), and the system tray with the date '24/08/2017' and time '2:47 PM'.

Step 3 : Fill Name, Roll Number and allotted Batch ID (to be informed in examination hall only) and then click Enter Button.

The screenshot shows a 'Logon' window with a light blue background. It contains three input fields: 'Name' with the text 'TEST', 'Roll Number' with '1234', and 'Batch ID' with '505150'. Below these fields is a 'Login' button. A white arrow points to the 'Login' button from the right. The Windows taskbar is visible at the bottom, showing the search bar and various application icons. The system tray on the right indicates the time as 2:52 PM on 24/08/2017.

Step 4 : The instructions window opens, Read and select the declaration that I have read the above given instructions and I agree Check Box, then Click the Next Button.

The screenshot shows an 'Instructions' window with a white background. It contains a scrollable text area with the following content:

Please read the instruction carefully.

Instructions:

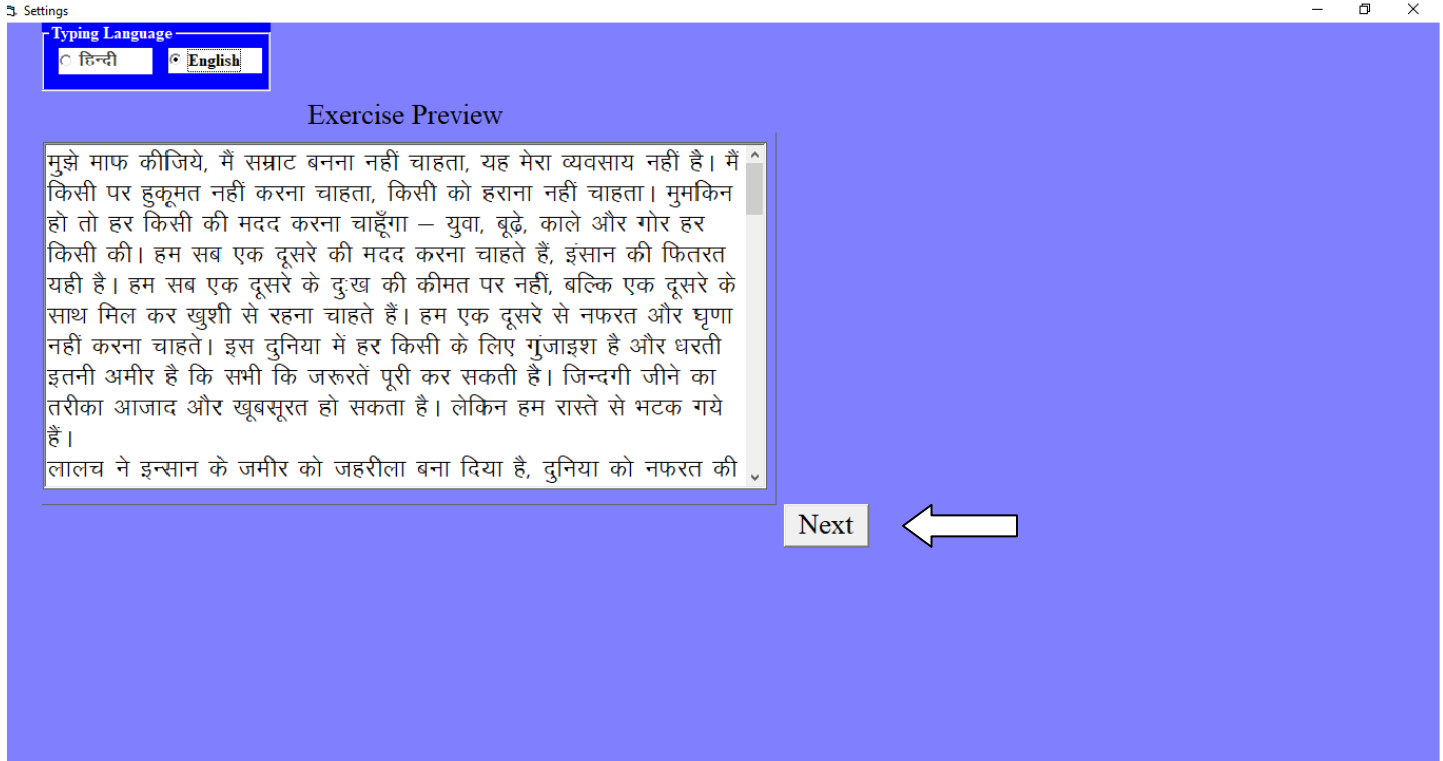

1. Please do not open any other software while, type test exam. You will be liable for any difficulty, if comes due to open of other software.
2. Please do not use control key.
3. Please do not use any shortcut Key during the Examination.
4. Duration of Typing Test is 5 Minutes.
5. There will be deduction of marks for the Wrong/Erroneous Type. After the completion of Test there will be a printout of what candidate has typed on the computer system. He/she is required to sign on printout. This printout copy will be used for evaluation & for Result Processing. Candidate has to handover it with signatures to the invigilator along with the Admit Card before leaving the room. Any missing sheet shall lead to dis-qualification of candidate.

Precautions to be taken:

- a. Candidate's Performance on Computer Typing will be done by software while typing is in progress and taking into account both his/her Speed and Accuracy.
- b. Candidate has to take care of Synchronized Typing between content (Typing Matter) highlighted at the above half portion of source window (Typing Matter) and corresponding position of cursor being typed at the bottom half portion of window. Content typed, out of synchronization are reckoned as Errors.
- c. While doing typing, If a candidate intends to correct any mistake in a particular word, he/she can do so by pressing back (/) button on Keyboard before pressing the Space Bar. But if a SPACE BAR is
